SPECIALTY ELEVATORS

Lift Solutions offers a wide variety of specialty elevators. We are able to build everything from glass cabs to explosion proof elevators. Our explosion proof elevators are designed to protect both your personnel and materials in dangerous and volatile work areas.

SHIP ELEVATORS

We are able to help you build specialty ship elevators that are customizable and meet project design standards. All of our ship elevators comply with strict naval register requirements.

FREIGHT ELEVATORS

Freight elevators from Lift Solutions are built for maximum durability, are fire rated and have a flush appearance.

ELEVATOR PARTS

Ordering a variety of elevator parts online has never been so easy. Visit elevatorsandparts.com to place an order for everything from safety bags and gloves to buffers and wire rope.

ORDER MANAGERS

Our Order Managers track each order every step of the way, starting with the purchase order through final delivery.

ELEVATOR SAFETY BAGS

We offer a variety of PPE products and safety bags with easy online ordering and shipping.
